A THOUGHT

If you put a buzzard in a pen that is 6 by 8 and is entirely open at the top, the bird will be an absolute prisoner because it begins a flight form the ground with a run of 10 to 12 feet. Without space to run it will not even attempt to fly. The bat cannot take off from a level place. Placed on the floor or flat surface, all it can do is shuffle about. The bumblebee, if dropped into an open tumbler, will be there until it dies because it persists in trying to find some way out through the sides near the bottom, It will seek a way where none exists. In may ways, we are like the buzzard, the bat and the bumblebee. We struggle about with all our problems and frustrations, never realizing that all we have to do is look up! That is the answer, the escape route and the solution to any problem is just look up. Sorrow looks back, Worry looks around but faith looks up. Live simply, love generously, care deeply, speak kindly and trust in our Creator who loves us.

Feb. 8, 2012

Do not be rash with your mouth, and let not your heart utter anything hastily before God. For God is in heaven and you on earth; Therefore let your words be few, for a dream comes through such activity, and a fool's voice is known by his many words. Ecc. 5:2-3
